Swimarathon 2021

HORSHAM LIONS CLUB

Sunday 19 September 2021 at The Pavilions in the Park, Horsham
(timings to be announced)

Dear Friend

On behalf of Horsham Lions Club, I would like to invite you to enter a team, or teams, into our tenth annual Swimarathon at The Pavilions in the Park, Horsham, on Sunday 19 September 2021. I enclose an entry form and a copy of the general conditions for the event, together with an A4 poster. We would appreciate your help in publicising the event by placing the poster on notice boards and in as many public places as possible. Thank you.

Over the last 9 years the Swimarathon has raised more than £60,000 for many deserving causes in the Horsham area.

In 2021 we are again supporting Horsham Matters, a small charity making a big impact in the local community, providing emergency food parcels through the Horsham District Foodbank as well as helping people in fuel poverty and those who are homeless.

Since the start of the pandemic there has been a threefold increase in need for Foodbank support for those struggling financially due to illness, furlough or loss of livelihood. Horsham Matters plans to open a Community Hub in 2021 and as well as incorporating a supermarket-style Foodbank, the hub will include a Café where those that can afford to pay, do so, and those facing financial difficulties are subsidised or eat free. Funds raised at Swimarathon 2021 will be used for setting up the Hub Café and contribute to creating an inclusive, healthy community in Horsham.

The Swimarathon is run on a 50/50 basis. Half the money you raise by sponsorship will benefit a good cause of your choice, this can be your favourite charity, your club or maybe your school. The majority of the other half will benefit Horsham Matters with a smaller percentage being reserved for other good causes in the Horsham area which are regularly supported by Horsham Lions Club. You can of course join with us in supporting Horsham Matters. The decision is yours; all we ask is that you help us raise as much money as possible.

Taking part is very easy; there is no entry fee. You will need a team of up to 6 swimmers plus an adult non-swimming team captain. All ages can take part, from 8 years upwards. The first member of a team swims one length of the pool and then relaxes while the other members of the team each swim a length of 25 metres in turn. The first swimmer then swims again and so on for 55 minutes. There could be up to eight teams swimming each hour. Why not ask your friends and colleagues to have a go? It's great fun and good healthy exercise! All swimmers will be presented with a commemorative medal.

The team captain ensures that swimmers are ready to swim at the appointed time, manages the swimmers on the poolside and counts the number of lengths completed by their team. The team captain is also responsible for ensuring that all sponsorship monies pledged are collected and that 50% is paid to Horsham Lions Club as soon as possible after the event and at the latest by the end of November 2021.

To take part please complete the entry form and return it to myself at the address at the foot of the entry form. In recent years this popular event has become **oversubscribed**, so to be sure of a place, **please get your entry in early**.

If you need any further information, please do not hesitate to get in to touch. Please also advise us if you will require a hoist for your swimmers to enter and / or exit the swimming pool. Thank you.
